## EXPRESSION OF SUPPORT

Maryborough Dance Eisteddfod 2017- May 12<sup>th</sup> to 14<sup>th</sup>  
Maryborough Eisteddfod 2017- 6<sup>th</sup> to 12<sup>th</sup> August

The Maryborough Eisteddfod is an annual event with a history dating back to 1903. Since 1957 the Eisteddfod has been predominantly focused on youth – providing a forum for talented young people of the community to perform and receive positive feedback from qualified, independent adjudicators. In addition, the community is provided with a week of wonderful entertainment.

To continue this event the Maryborough Eisteddfod requires support from the local community. Generous donations have been given in the past and we hope will continue this year. Your sponsorship of this traditional event will be acknowledged in our programme, by our Announcers throughout the event and on our website.

Please indicate your contribution with a tick in the appropriate boxes on the form below and mail to the address above. In addition, you or your organisation may also be able to help by:

- Publicising the event in your newsletters or by displaying our poster
- Assistance during the event – we always need willing volunteers
